

Ennismore Retreat Centre  
Montenotte  
Cork T23 CT95

13 August 2020

Dear Friends of Ennismore

Following the close-down of our retreat centre due to the coronavirus, we are pleased to announce that

we are tentatively **re-opening on Monday, 17th August.**

The staff and community have undergone training in the covid-19 safeguarding procedures, our kitchen area has been deep cleansed by a professional sanitising group, and procedures are in place to safeguard everyone using our centre.

Due to the ongoing nature of these procedures, we are

- **unable to accommodate overnight residents**, until our facilities are ready,
- able to facilitate a maximum of **twelve (12) persons in the dining area**, with meals served on plate,
- unable for the moment to provide use of our coffee dock for snacks, until it is made ready for such use
- asking all guests to our centre to sign up to **a protocol for safeguarding** the environment for everyone.

I hope you will understand these restrictions, and honour them, and please God we will find a way forward through this time with a renewed spirit of peace and nurture in our Ennismore Centre.
